

Dow Corning® 999-A Silicone Building & Glazing Sealant

Sealant Color Selection Guide

- Please check the availability of the different colors.
- Custom colors are available on request.
- Please refer to product literature for applications and technical information.

The colors shown are a close approximation of the actual sealant colors. However, for best results, submit color samples or swatches to our lab for color testing and matching.

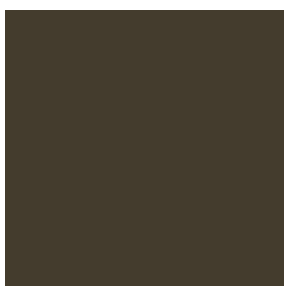

White

Black

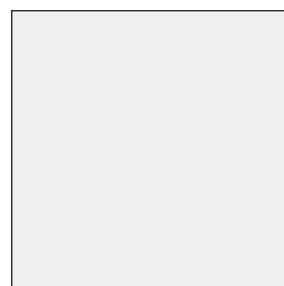

Bronze

Light Bronze
